1980

Save for Bev.

Billy,

Well, I don't want to leave you guys, but I guess I don't have a choice. I'm really going to miss you sooooo much. You had such an important part in my life. Billy, I hope that anything you ever want will come your way, because if I had my way you would have the best life has to offer. I'll never forget the way you were there when I needed to talk, like at Sadie Hawkins Dance! you were always able to tell when I was down or something was wrong. Sometimes you were the only one who could tell. It takes a very special person to be able to feel what others are feeling. I want you to know that I'll never forget you and I love you. I hope ~~I~~^{you} you won't forget me. See ya.

come see me graduate and we can cry together.

Save for Bev.

Love ya loads,
Beverly

Save for Bev.

Save for Bev.

Billy,

I really enjoyed this year we've spent together, all the fun we had and then times we were together. you've been a lot of help to me this year and I want to thank you for it. I didn't last year about talking or even knowing you but I'm sure glad I did. Stay just the way you are and don't change. Hope to see you next year and I know I'll see you during the summer (at church).

God Bless

Love Ya

C. M. Sparkman*

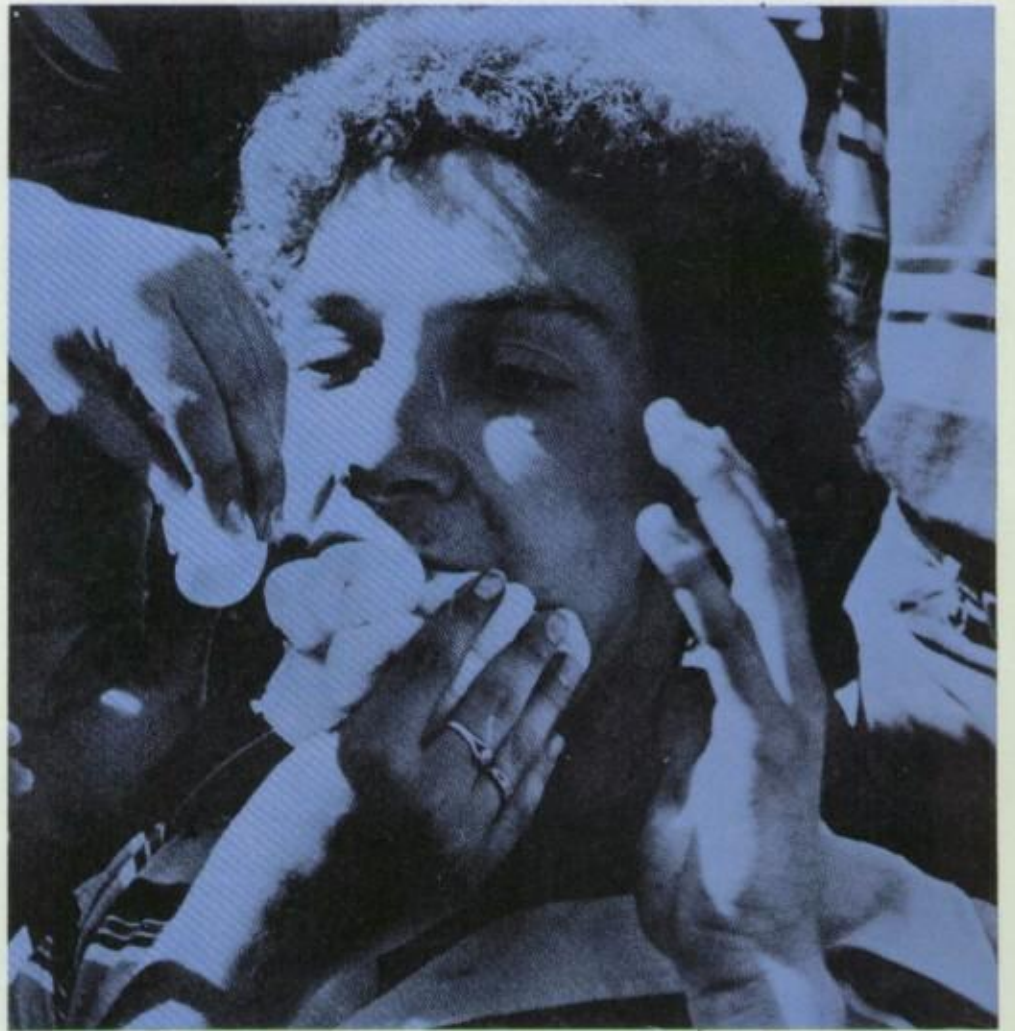

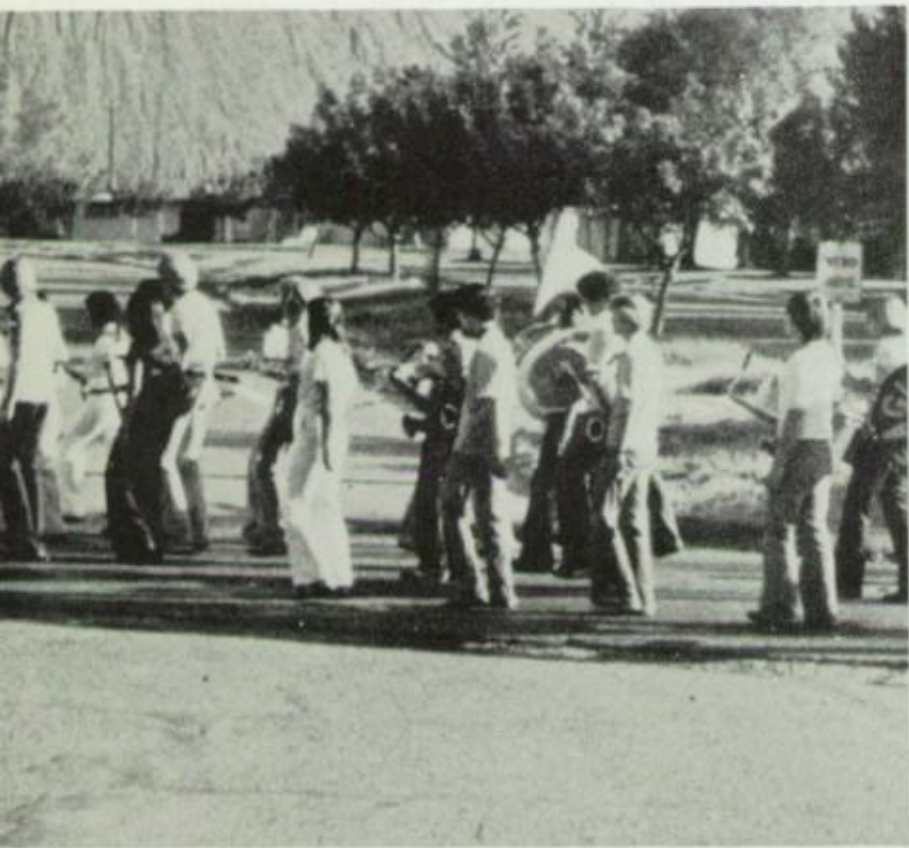

With great pride and pleasure, we of the Annual Staff dedicate the 1980 Talon to C. M. Sparkman. Over the years, he has been of great service to the High School and the community of Eagle Mountain. In 1968, he became the principal of Eagle Mountain High. After completing this job, he became and still is, one of our best math teachers. Trigonometry, Algebra, and Geometry are among some of the courses he offers.

Mr. Sparkman has devoted many years to Eagle Mountain, so this one's for you!

Jack Senecal

Mr. Senecal has been principal of Eagle Mountain High School for three years. During these three years, he has seen progress with the program. He especially likes this year's students and teachers because of their enthusiasm.

One advantage he likes about the school is it's size. He can meet each student on a one-to-one basis and work closely with the teachers.

Some of Mr. Senecal's interests and hobbies are golf, duplicate bridge, teaching a class in ethics, and above all, being a good husband.

AFTER GLOW

I'd like the memory of me
to be a happy one,
I'd like to leave an afterglow
of smiles when life is done.

I'd like to leave an echo
whispering softly down the
ways,
Of happy times and laughing times
and bright and sunny days.

I'd like the tears of those who
grieve,
to dry before the sun
Of happy memories that I leave
When life is done.

Below right: The Big Plan

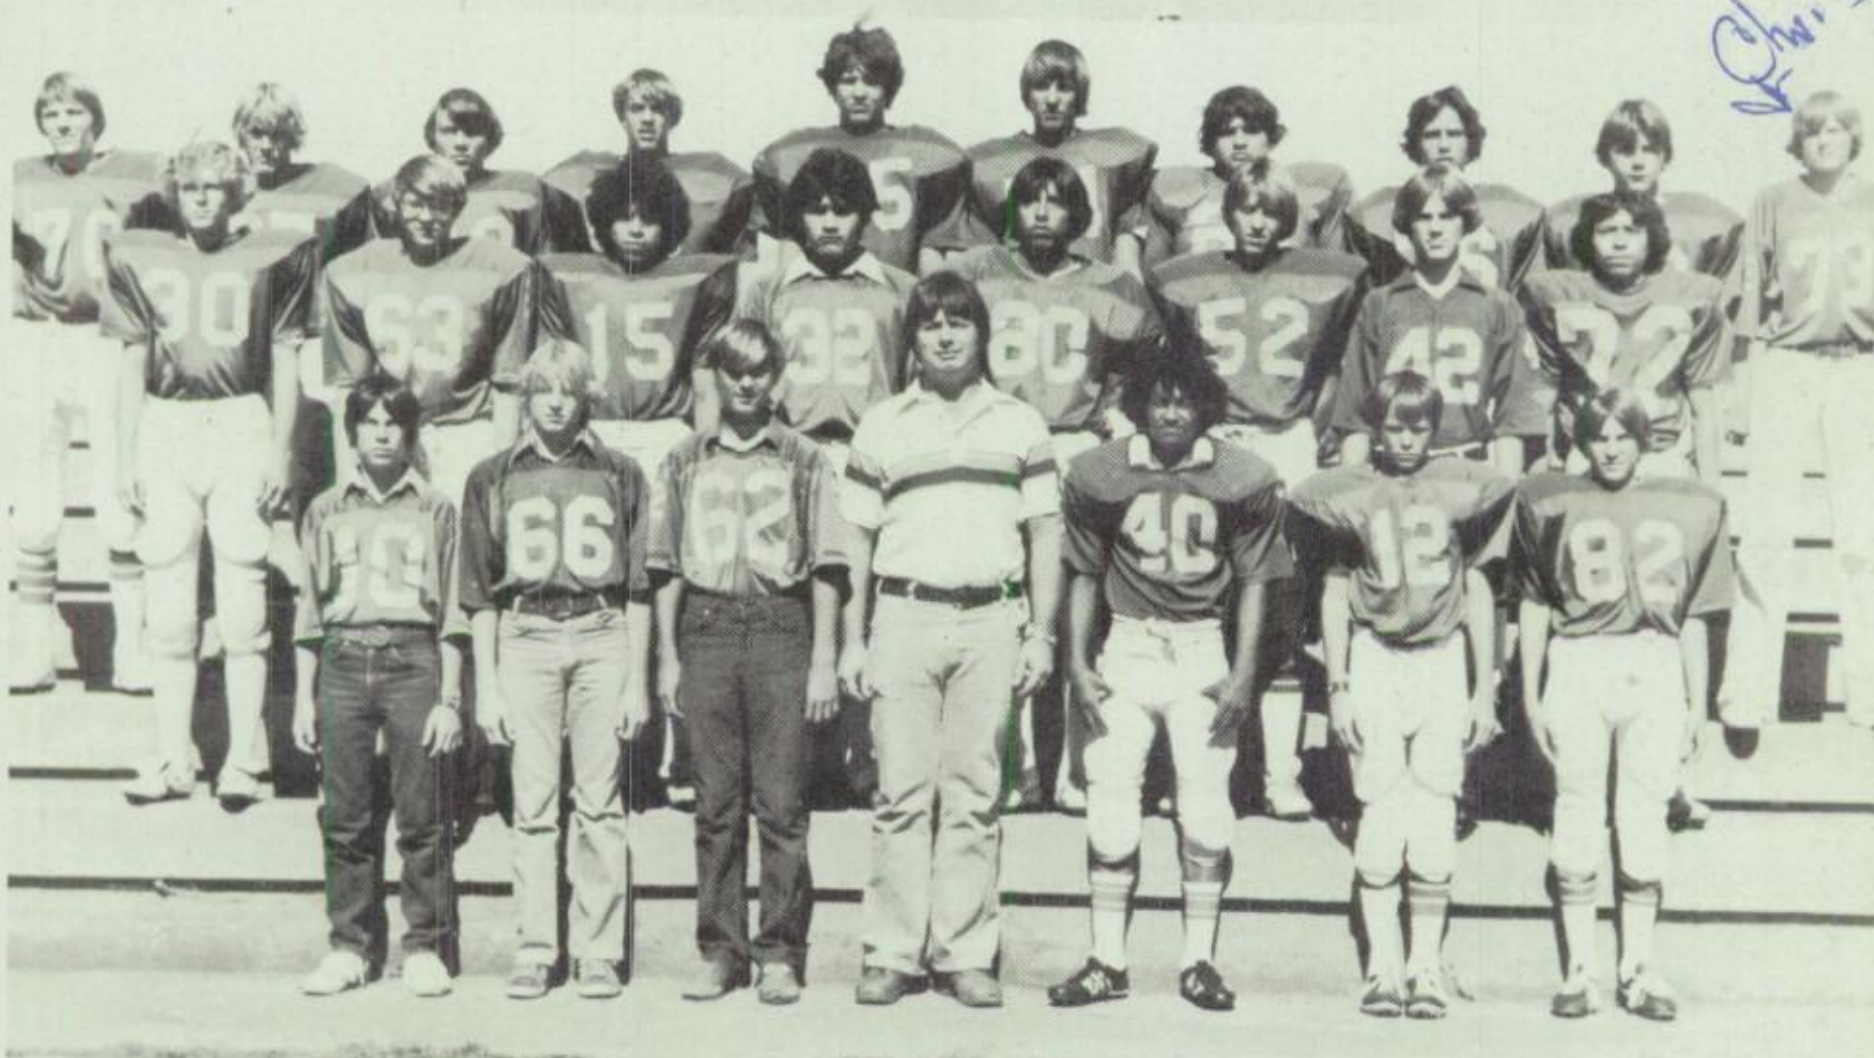

In his first year as head coach of the Eagles, Richard Brown is optimistic about this year's players. The strengths of the team lie in the desire of the players. Two concerns of the coaching staff, that also includes Mr. McDowell and Mr. Weitz, are inexperience and the team's small size. Graduating seniors are Bob Reeves back, Mike Tisdell back, Harold Copeland center, David Hamm guard, Tim Bearsby guard and Austin Major, end.

JUNIOR VARSITY VOLLEYBALL

The 1979 Volleyball teams were coached by Anne Karns and Peggy Weitz. The strength of the CIF varsity team according to Ms. Karns was the teamwork. "We played our best when everyone worked together and had team spirit and enthusiasm.

Graduating seniors include: Josephine De la Rosa, Nellie Englund, Irma Garcia, Kellie McBride, Donna Rose, and Jaylene Thaxton.

Above: Ole! **Below:** Who says you have to aim at the basket?!

Fred Smiley, Steve Weitz and Manuel Casillas coached the 1980 Basketball teams. According to Mr. Smiley "... my theory is that defense makes the offense go. If you are able to hold your opponents to no score on a given play or to a low score during a game you then can look at shooting and offense as icing on the cake. Defense, as the year progressed, was stronger for us, though we had a good offense and good shooters to make that offense work." Ken Burrell, Harold Copeland, Austin Major, Bob Reeves, Rene Saucedo and Mike Tisdell are the graduating seniors who assisted in manufacturing a 1980 CIF entry. "I am frankly proud of the progress that we as a team have made. That is what coaching is all about, the meeting, melding, and improvement of a group of student athletes on the athletic field."

Mike Bon Tempo along with Anne Karns and Peggy Weitz coached the 1980 girls basketball teams. "As with any first year coach I had some apprehensions approaching the season: compounding the fact that this was my first year coaching high school girls. With the help of Ms. Karns, the early practice sessions gave a good indication of things to come. With a good nucleus of seasoned players from the 79 varsity: Kellie McBride, and Nelly Englund; JV players: Olivia Mendez, Diana Vidal, Donna Rose and Blanca Gutierrez; Walk-ons; J.J. Thaxton, Bobbie Reeves, Chris Knight and Terry Sutton, added the spark to bring the team together. A positive attitude has permeated the team from start to finish, and a special thanks to Mrs. Weitz and Jamie Foster without whose help this year would not have been possible.

Coaching the most difficult schedule in the history of the Eagle's squad were, Rylie McDowell, Dan McMurtrie, and Warren St. Cin. Ability to defend one's self is universally looked upon by people as essential. Boys of any size may participate on an equal basis because they are paired according to size, receive the same instruction, and have the same opportunity for achieving skill success. Individually, Richard Enriquez, MVP for the team this year, captured the DeAnza League Championship at 194 pounds. Raul Abrille placed 3rd at 115, Baldwin Abrille placed 5th at 106. Jeff Baysinger placed 4th at 130, George DeLaRosa wrestled at 136 placing 4th, and Mike Taylor captured 4th at 123 pounds. Leonard Garcia, was voted the most improved wrestler for the Eagles of '80. As we look back with mixed feelings on the time we have spent learning, making friends, and just growing as individuals, we realize that we really belong. We are an irreplaceable part of something. We are needed and relied on. The feeling of being a participant as well as a spectator . . .

. . . thinking of those who tried to help us, and have shared a part of themselves to make each of us a better person. There are memories, with the arrival of many new faces shared outlooks and disagreed upon opinions . . . C.I.F. volleyball and basketball performances, successful band reviews, Ms. Mac selling slaves, trying to find a job, just to name a few . . . I can't smile without you . . . you were part of the dream.

Winter Sports Festival

Under the fine direction of Chet Brenneise, as well as the leadership of Drum Major Ernie Colwell, the band had a full season. Helping to add showmanship and sparkle were the Tall Flags: Eileen Fahey, Kellie McBride and Kim Vann, and Baton Twirler Terry Sutton. At the Date Festival the band placed third and at the Banning Stage Coach Days the Marching Eagles took Second. Teaching the band gives Mr. B the opportunity to work with a special kind of student, the "Doer." "They are involved in clubs, athletics, ASB . . . some members play full JV football games and come right back and play in the band for the Varsity game." It was all these factors and the spirit that added up to a band that helped spread the name of Eagle Mountain High School.

Led by Glenda Grover through an autumn of vigorous practices the Drill Team began the year by executing quality shows. The variety of complex dance routines for football half time shows and concerts were well received. Dedication on the part of the squad led to a Sweepstakes at the Indio Date Festival, a second at Banning and a fourth at Lester Oaks. The ability to perform precision dance routines while being comfortable, even to the point of offering a smile to the audience, became their trademark.

Billy,

Well, another year has come and gone
and just think I'll be one of those big Seniors.
I've really enjoyed singing with you. Even though
you do have a terrible voice. No just kidding. Good
luck in the years to come. Love you,
Carolyn

The National Date Festival is a once a year event that enables Eagle Mountain students to compete for recognition among other Riverside County high school students. Ribbons were awarded to Eagle Mountain High students in three major categories: Fine Arts, Homemaking, and Industrial Arts. In the Fine Arts Division Awards were won by the Band — third, and a sweepstakes was awarded the Drill Team. In the Art section Eddie Goins placed first for his oil painting titled "Sioux." Michael Meler received three second place ribbons for his batik, a silverpoint drawing, and a ceramic sculpture. Mike also received a third place ribbon for another sculpture. Cyndie Knight was awarded a second place ribbon for a batik and a third place for "Fish", a scratchboard. Cleve Gray places second in the Crafts open division. Alana West entered the Homemaking Division, Latch-hook category, and was awarded third place. In the Industrial Arts Division, Lee Evans placed second in the Gun rack category, Raul Abrille received a second place ribbon for his cutting board and Greg Garside placed second for his fooled leather belt.

 Eagle Mountain
 School

The TALON staff worked especially hard this year to produce one of Eagle Mountain's best yearbooks. If non-staff individuals could only imagine the countless hours of trying to fit copy and pictures into T mosaics.

Trying to come up with funny, but not too funny captions; trying to get teams together for pictures can be frustrating, not to mention the many hours spent in re-doing layouts. All these problems faded when the TALON arrived and the staff members had the rewarding experience of seeing their hard work in a beautiful bound volume.
